Dogs running in Preferred classes must run at the proper height. Dogs that enter in a height division lower than their proper division will be moved up. In no case may a dog be moved down in height based on a judge's measurement at a trial. The following jump height divisions shall be used in all trial classes:

## NEW AKC CLASS

### TIME 2 BEAT CLASS

(T2B)

Time 2 Beat is a new AKC agility class that became a titling class effective July 1, 2011. Time 2 Beat is a "hybrid" class built primarily from obstacles from Jumpers With Weaves, with the option of having one to two contacts included on the course. This class is unique, as each dog has the chance to set the "Time to Beat" for each jump height division. This is different than the current AKC classes (Standard and JWW) where the Standard Course Time (SCT) is set by the course yardage as wheeled by the judge. Additionally, this is different than any other AKC agility classes because there is only one course to set for all dogs to compete. This is a time saver for clubs, judges and exhibitors.

To earn the T2B (Regular) or T2BP (Preferred) title, a dog must earn 15 qualifying scores and 100 points. Points are based on how close your dog's time is to the fastest dog in your jump height.

Regulations for this class can be found in the [Regulations for Agility Trials](#) in Chapter 10.

The grass areas surrounding the event field, including those across the parking lots, are part of the show grounds. Not only can a violation incur sanctions under AKC regulations, but you might also be ticketed by park rangers.

The safety of the dog is our primary concern. Any exhibitor entering this trial acknowledges that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all of the obstacles safely.

Do not leave any dogs in closed vehicles. All persons attending this dog show hereby waive any claim for damages against the Cactus State Miniature Schnauzer Club or its member; in the event a motor vehicle must be entered to rescue a dog from overheating or suffocation due to improper ventilation.

The judging will start promptly. During the hours of judging owners are to be on call and have their dogs ready to bring into the judging ring promptly in order that the judging will not be delayed.
